FAQs

Floor Refinishing or Painting First? And Carpets?

A common misconception is painting first. The reality? Flooring or carpet installations should precede painting. These tasks can inadvertently damage walls or cause dust accumulation. Painting last ensures a pristine finish.

Can I Reside During the Project?

Absolutely! Our interior painting services in Melbourne are orchestrated to be minimally intrusive. We mold our schedules around yours, striving for a disturbance-free experience. Many clients remark they scarcely notice our presence!

Are You Licensed and Insured?

Yes, at [Your Company Name], we maintain all necessary licenses and insurance. We uphold the highest business standards, ensuring your peace of mind.

How Is the Pricing Determined?

Our competitive rates stem from charging precisely for what you need. Avail a comprehensive, free quote for our services in Melbourne. We maintain transparency, avoiding unexpected costs or hidden fees.
